

Dear Friends,

As we come to another week where worship is going to be “different,” I wanted to share with you the ways that you can continue to stay connected to our worship life together. First, included is a copy of the bulletin and order of worship for Sunday. You’ll see that we are sharing worship among several congregations - Christ Church, First Presbyterian Church here in Ft Thomas, St. John Bellevue, and St. John’s Newport - and we will be doing that over the coming weeks. Different Sundays will have different preachers and musicians (or a mix thereof) but we will all be part of it each week. You will be able to access the worship services in several different ways:

Call in (audio only)

This method ONLY works starting at 1030am on Sundays. I could explain the technical side of it, but this is the best arrangement for telephone access that we have right now. To access this each Sunday, you can do the following:

- At 1030am on Sundays, call either 929 205 6099 or 312 626 6799 (either number will work).
- You will then be (quickly and repeatedly) prompted to enter a meeting ID - that ID is 952 499 133.
- You will then be asked a participant ID. There is no need to enter a number. Simply hit # on your phone and you’ll be connected to the audio of the service.
- That’s it. You’ll be connected.

Video

You can access the video of the worship service starting at 1030am each Sunday and it will be available anytime after that as well. There are multiple ways to access the video of the worship service.

- Christ Church website – <http://christchurchft.org> – On the front page of the website will be a permanent link to the worship service. This will take you to a page where the video will be shown.
- Christ Church Facebook page – <http://facebook.com/ChristChurchUCCft> - you do not need to have a Facebook account to access this page (but Facebook will nag you about making an account – nothing we can do about that). The service will be posted here. If you have a facebook account, you will be able to post comments, questions, thoughts about what you experience and how the Spirit speaks to you.
- Christ Church YouTube Channel – <http://bit.ly/youtubeCCUCC> - This link will take you to our youtube channel and the most recent worship service as well as other videos we are working on. If you have a “smart TV” or something like a Roku, AppleTV, or other device you can also access this through your TV.

Contributions

In the time being, we do encourage you as you are able to continue your contributions to the mission and ministries of Christ Church. You can do this by mailing your contributions, by

setting up automatic transfers through your bank, or you can contribute through Paypal by going to <http://christchurchft.org/giving/>

This is a challenging time to be sure, but we are still here with and for you, just as God is ALWAYS with and for us.

If you have ANY questions about the above or simply want to talk, pray, read together, tech support, or share some jokes, I am here to help. You can email me at ed@christchurchft.org or call me at 859-474-0319.

*Grace & Peace,
Pastor ED*
